# SAVE FOR KRISTEN

## Bullshit

Brian, well I can't believe we made it through another year with only a few major problems. One's name was Dharma and the others was Fred. See how some people can really mess you up. Well anyway I really don't know where to start cuz there is so much to say. Ya know there was a time when I said I never wanted to see you again but I know I never could of done that. You have taught me so much about myself and others. I will always be thankful to you for all the hours you spent listening to my problems and not acting bored. I think you have helped me w/ everyone of my boyfriends.

VC

Since I have met you, I don't know what I would of done without you! You will never know how special you are to me. Our friendship means a lot to me and I never ever want to lose that! We have had our problems but that is to be expected. We have both done stupid things but we also both had someone to talk it out with. Brian, I want to say I feel bad about not going w/ you but I really can't. If I said that then I would break up w/ Steve and be w/ you. I will say this Steve will never replace you in any way. There is a special bond between us that no one can break. (although many have tried) We have been

Brian -  
Hellova guy. What  
can I say except that  
what the cheapest hit  
ever seen by those who  
know baseball. Have a  
great summer (I'm sure  
I'll see your ugly face)  
See ya tomorrow.

through alot, some good and some bad but I can't imagine a nicer person I would rather go through it all with. You are a best friend in all respects and in a special way. I love you too!

I guess that's  
all  
Have a  
really  
great  
summer!  
Love always  
& 4-ever

# SENIORS

Throughout the past few years  
We have made more discoveries,  
About ourselves and the world around us,  
Than anyone could teach us in a lifetime.  
Discovery is an individual process;  
The discoveries we'll have made to this point  
Will become the foundation of all  
We will discover throughout our lives,  
And our high school discoveries will accompany us forever.  
Jeff Iverson, '82

President Cindy Gottreich

## President's Message:

Dear Class of '82,

As Senior Class President, I would like to say that I am extremely happy to have had the honor of representing such an outstanding class. It seems as though time has gone by so quickly that we haven't had the opportunity to enjoy all that we have accomplished. I hope, though, that you have enjoyed every minute of our last year here at Crescenta Valley High School.

I would really like to thank our Senior Class Advisor, Mr. Heldwein, for guiding us through this successful year.

I will always have fond memories of the experiences I have had while leading this class of 1982. Thank you, Senior Class, for all of your time and effort in making our class the greatest!

Sincerely,

Cindy Gottreich

I can remember  
Walking into that big, huge room,  
in my pink frilly dress, looking at  
all the faces staring at me.  
I remember  
Looking at my mom with  
tear-filled eyes, and a sunken-in  
chin, and asking her not to leave.  
And I remember  
Watching her leave as I gazed  
through the window, as her figure  
kept getting smaller, and smaller,  
and then, nothing ...  
she was gone ...

I remember  
The summer before

we were "bad" because we

elementary school.

I remember  
How we "big bad" sixth

And I remember  
How the new school was  
so big. We had six new  
teachers instead of one,  
six new school rooms, and  
the many new faces . . .

## Junior Officers

Vice president Chad Hamilton, President Rae Gauthier

## President's Message

Representing the Junior Class has been quite an honor. Having the opportunity to work with a creative Cabinet and a talented Board of Directors has been challenging and rewarding. Together, I feel that we have achieved many of our goals and have become a more spirited class. I am positive that our enthusiastic approach to our senior year will result in a successful end to our High School career. Being part of such an energetic class has been an experience that I will never forget.

Harriet Rothschild, advisor

Board of Directors **Front:** Rae Gauthier, Kellene Cronin, Robin Davis. **End:** Cornel Gangolea, Sandy Kennedy, Chad Hamilton.

A black and white photograph of a young woman in profile, facing left. She has long, light-colored hair with a small clip or bow near the top. She is wearing a light-colored, possibly patterned, top. She is holding a small cup or container in her hands. The background is dark and out of focus, showing other people, including a person in a light-colored shirt and dark pants walking away. The lighting is bright, creating a high-contrast effect.

Three black and white portraits of students. The first is a female with dark, curly hair, smiling. The second is a male with dark, wavy hair, smiling. The third is a male with dark, straight hair, looking slightly to the side.

## Life

Life is a gift,  
A box wrapped with silk bows  
And sprinkled with gold dust.  
Open it one day . . .  
You won't find a gold watch,  
Or a diamond ring.  
Look under the tissue paper,  
Go beyond the price tag  
And take out the colors of reality —  
Happiness, pain, sorrow, love.  
Paint your own rainbow.  
No one else can.  
— Ann Bartel

Homecoming Week, October 12-17, was filled with school spirit and class participation in various activities on campus. There were special days on which each class had a chance to show its spirit. Tuesday's Senior Shade Day provided many seniors with an opportunity to show off their unique glasses. On the following day the Junior Class sponsored a cake sale. The Sophomores topped off the week by wearing hats on Thursday.

The annual Homecoming Bonfire blazed on Thursday evening. This event followed a bonfire rally and a series of competitive games among the three classes. The band began the rally while the pep squad promoted warm Homecoming enthusiasm. Shortly afterwards the class competition began. Each of the three participating teams consisted of ten members from the same grade level. These teammates were selected to represent their

respective classes in a variety of activities, including Broom Hockey, VW Push, and Pyramid Building. The "CV Super Seniors" walked away with a lopsided victory and were thus awarded the CV Homecoming Bonfire Spirit Stick.

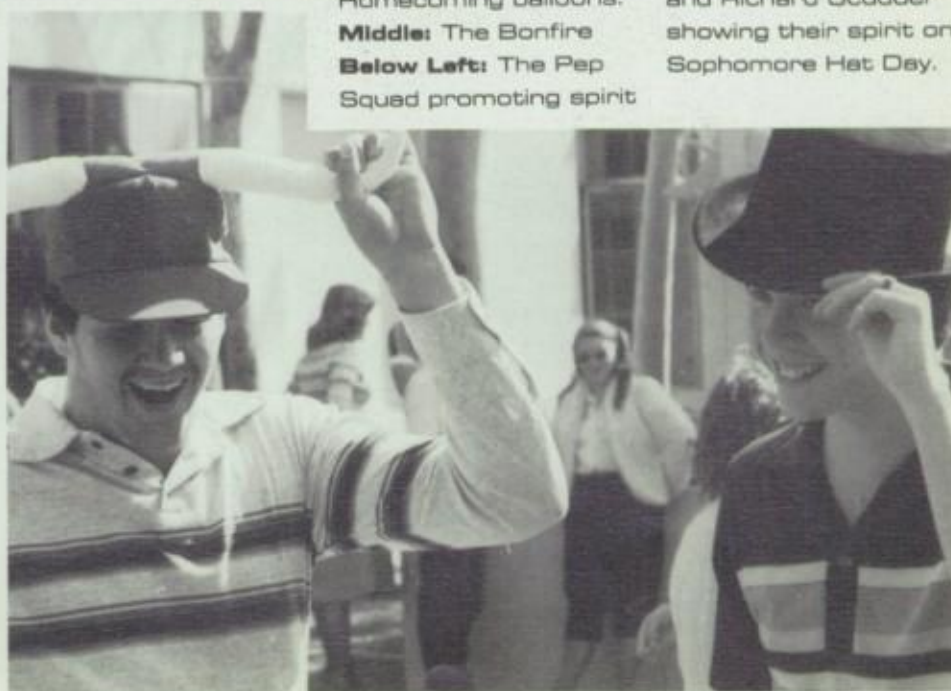

Streamers in various shades of blue decorated the quad Friday and added excitement to the day's activities. During snack the band and the pep squad united once again for a rally. In the meantime, the Senior Class sold CV balloons while Girls' League was occupied selling cakes.

The week's activities were brought to an end by the Cabinet-sponsored Homecoming Dance. This record-breaking dance was in the cafeteria and its theme was "One More Look at the Night." Spotlighted were Homecoming Queen Kathy Latham, her court, and the band, "The Bachelors." Homecoming Week — a tradition that is never forgotten.

# One More Look at the Night

The climax of Homecoming Week was the crowning of Kathy Latham as the 1981 Homecoming Queen on the evening of October 16 during halftime of the CV vs. Muir football game.

To begin the program, the five court members and their escorts were driven around Moyse field, passing directly beneath the cheering CV crowd. The girls were then escorted, one by one, to the center of the field. Sophomore Princess Jamie Renstrom and her escort, Ed Carmona, were the first to step onto the platform. They were followed by Junior Princess Kellene Cronin escorted by Chad Hamilton.

Next were Senior Princesses Kim Black, Kathy Latham and Kelley Lewis, escorted by Dave Asplund, Tony Villaseñor and Eric Lowe, respectively.

At this point a brief description of each girl was given, including her interests, activities and future plans. Jeff Iverson, Director of

Activities, escorting last year's queen, Julie Anderson, then announced that Kathy Latham was the 1981 Homecoming Queen.

Amidst the cheers of the crowd, the girls were escorted off the field, each hoping to take "One More Look at the Night" before the evening was over.

### Go CV!

The Pep Squad began its year of responsibility by attending summer camp clinics in Santa Barbara. The Junior Varsity and Sophomore squads received several blue ribbons and awards for the most-spirited squad in their respective divisions. The Varsity Cheerleaders received first-place ribbons in each evaluation. They also received the award for the most-spirited squad and a Superior Trophy for being the most outstanding Varsity squad out of fifty other squads.

Varsity Songleaders attended the National Cheerleading Association Summer Clinic at San Diego. They received the first-place award in their home routine evaluation, the award for most-spirited squad and the Award of Excellence for their outstanding performance.

Other activities of the Pep Squad included pep rallies at snack, planning the Homecoming Bonfire and doing half-time routines. For the last football game against Arcadia, the Varsity Cheerleaders and Songleaders united for a halftime routine to "Hit Me With Your Best Shot."

# Band and Flags March On

The CV Marching Band, under the direction of Mr. Bill Card, enjoyed another fine year through a variety of activities and performances. Band members entertained the crowds at CV's football games by staging halftime shows and providing accompaniment for the Pep Squad. The band was also active in many pep rallies and special activities throughout the year.

Futhermore, they participated in several parades at various locations.

They marched at Disneyland, at the annual Montrose Christmas parade, and at the Days of the Verdugos parade, where they placed second among the other bands.

The band also took part in many competitive activities in which they were rated in comparison with other bands throughout the state. Mr. Card, assisted by Drum Major Jeff Engels, stimulated the band's spirit. This enthusiasm aided in the success of this year's marching band, helping it to meet its many goals.

Band showed spirit during the halftimes at the CV football games. Tall Flags gave their support with their routines performed at the games, parades, and special locations such as Knott's Berry Farm. All of the carriers worked hard to excel in their routines. Capt. Laura Frey was always there to inspire them.

## "Somewhere in Time"

The Girls' League Backwards dance, "Somewhere in Time", on November 7, 1981, was the second dance of the year. It was at the Glendale Civic Auditorium from 8 to 11 p.m. More than 400 students attended the dance dressed in a variety of costumes ranging from cavemen to martians. At ten o'clock Girls' League President Adriene Rodriguez crowned Cliff Miller king. Included on the court were Sophomore prince, Mark Norberg; Junior prince, Jeff Renville; Senior princes, Dave Asplund and Mike MacLane. Escorts were Cecilia Potter, Chris Jensen, Dana Beaty, Julie Morris, and Stacy O'Neal respectively.

# Wheels in Motion

"These car rallies are so much fun!" -- Barry Fleischer

"Turn left on the surfers' heaven." Surfers' heaven?! Hermosa Ave., of course! This was a familiar phrase read by those who participated in the cabinet-sponsored car rally November 25. Tickets were sold for one dollar and the starting point was at the high school. The route took the cars on a twelve-mile trip in both La Crescenta and La Canada. All who navigated correctly found themselves at the Straw Hat Pizza Parlor. The winners, arriving at the final checkpoint first, were driver Barry Fleischer and navigators Tracy Neate, Donna Groves, and Barbara Seeley. Prizes were awarded to the first seven cars that completed the course accurately. The first place team received an official Crescenta Valley Car Rally trophy.

# October Oddballs

Halloween was a day full of activities for the student body to enjoy. Many people dressed up in bizarre costumes to show their spirit for the spooky holiday.

A Pep rally at snack honored the special day and the celebrations continued through lunch. There was a costume contest and also pumpkin pie eating and apple-bobbing competitions.

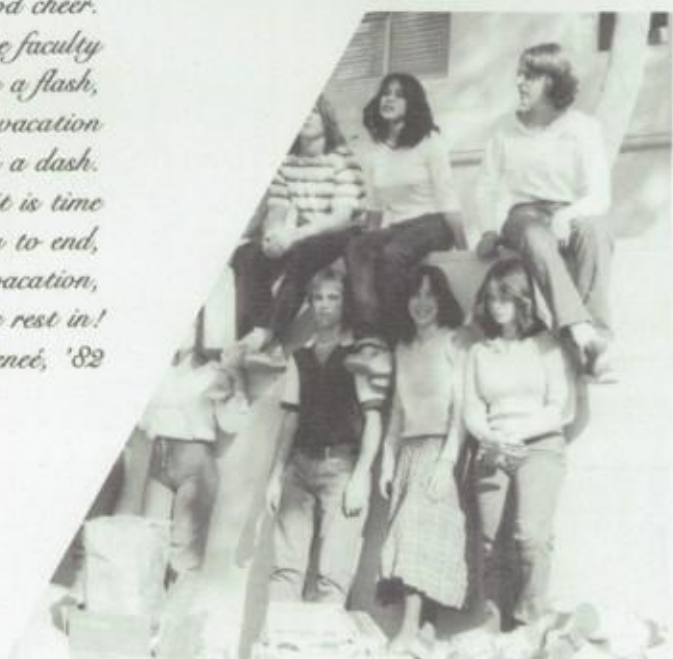

# 'Twas the Week Before Christmas . . .

'Twas the week before Christmas  
and all through the quad,  
Not a tree was left standing  
without looking mad.  
The cans were stored  
in the classroom with care,  
Sixty-four hundred  
in total were there.  
The Cabinet was nestled  
all snug in their room,  
With the dance still unfinished,  
they faced certain doom.  
CV was ready  
for Hoover Tuesday night,  
At the Falcon gym  
we put up a fight!  
And what to the ASB's  
eyes did appear,  
But twenty-six cheerleaders  
singing good cheer.  
Away the faculty  
flew like a flash,  
On a two-week vacation  
they flew with a dash.  
Now it is time  
for our story to end,  
We left for vacation,  
fill the rest in!

# A Walk with Dad

"A Walk with Dad through a Winter Wonderland" was the theme of the Girls' League-sponsored Dad-Daughter Banquet in the cafeteria December 9. The dinner was catered by Dominick's and members of the Key Club were waiters for the evening. The Fall semester Girls' League Board planned this annual event with their advisor, Mrs. Marj Pape. President, Adriene Rodriguez and her father, David, began the program with a reading which saluted both the fathers and the daughters. After dinner, the girls and their fathers participated in "daddy games," over which secretary Renée Roski and treasurer Stacy O'Neal presided. CV Charismatics provided more entertainment and this portion of the program was followed by dancing. The Dad-Daughter Banquet is looked forward to each year, and the 1981 dinner was no exception.

# Feast of Lights

Holiday spirit filled the Christmas season as CV's choir groups combined to present the annual "Feast of Lights" performance. On December 17, Miss Nute conducted the choir in the presentation of the Christmas program presented at 7:30 and 9 p.m. in MacDonald Auditorium.

Each year the members of Men's Glee, A Cappella Choir and Charismatics unite to display their special talents in this greatly anticipated choral presentation. This year's performance was no exception. The auditorium was filled with students, parents and members of the community. Their warm response made the many weeks of rehearsals worthwhile.

The audience was treated to a variety of traditional Christmas carols sung by the choir as a whole and specially selected soloists. As the program came to a close, the choir members, holding candles, encircled the audience with a glow of light. The climactic "Hallelujah Chorus" intensified the Christmas spirit and the enjoyment of the "Feast of Lights."

Dan Kerr skillfully accompanied the choir and Rick Ness narrated the program. The students' hard work and dedication were plainly evident during the presentation. The "Feast of Lights" once again beautifully ushered in the holiday season as the Christmas spirit was given to all of those present.

# Under the Mistletoe

*Queen Carolyn Tarantino and King Jim Potter.*

"Under the Mistletoe," on December 19, was GV's first formal Christmas dinner-dance. The goal of this activity, sponsored by Cabinet and Yearbook, was to provide a delightful evening of dining and dancing at a reasonable price. The \$15. tickets included a lasagne dinner for two catered by Dominick's. Several Young Life leaders acted as waiters and served the dinner. Ninety couples attended the five-hour event which began at 7 p.m. Music was played by two disc jockeys, GV alumni Kirk MacLane and Brad Winslow. The climax of the evening was when Jim Potter and Carolyn Tarantino were crowned King and Queen of the dance. This successful event was well received and will undoubtedly become an eagerly awaited GV tradition.

## Jockey One or Two?

On January 14, the entire Student Body convened to elect the second semester Cabinet and Girls' League officers. All the candidates were questioned concerning the office for which they were running. The presidential candidates for the ASB and the Girls' League were each allowed to give a three-minute speech. In addition to the ASB, the Student Body voted on a constitutional amendment. The purpose of the amendment was to limit the number of years a person may be on the Pep Squad to two years.

One of the highlights of our junior year was going on the College Tour. On February 17, forty-one juniors left CV to visit nine college campuses in California. This annual tour, chaperoned by Mr. Adison and Mrs. Miner, gave students a chance to see the different types of colleges.

On the first day we visited Pepperdine, Westmont and UC Santa Barbara. After spending the night in an Army camp, we left for Cal Poly, San Luis Obispo, University of Santa Clara and University of the Pacific. While spending the night at UOP we had the opportunity to wander around the campus on our own. The following day we saw the State Capitol, Department of Justice and UC Davis. That evening we had dinner at Fisherman's Wharf in San Francisco. On Saturday we visited UC Berkeley and Stanford before we flew home via PSA.

## Washington Slept Where?

On March 25, 26 and 27 the CV Drama Department presented the hilarious Kaufman and Hart comedy, "George

Washington Slept Here." The play is about a man named Newton Fuller, played by Jeff Iverson, and his wife Annabelle, played by Marcy Livran. Newton is a man of mediocrity who generally does not do anything without consulting Annabelle. Without telling anyone, he buys a fixer-upper in Pennsylvania, where George Washington slept.

Jim Cornelius played Mr. Kimber, a very smug old country boy who superintends the repairs on the Fullers' new home. Uncle Stanley, played by Bill Donovan, is the apparently rich uncle of the family who is discovered to have been totally broke for 20 years. He eventually saves the day by pretending to be rich one last time in order to save the Fullers' house from their nasty neighbor Mr. Prescott, played by Robert Vafaie. The play was an enjoyable commentary on the comedy of life and was well received by all audiences.

"I promise I won't forget my lines!" — Jeff Iverson and Marcy Livran

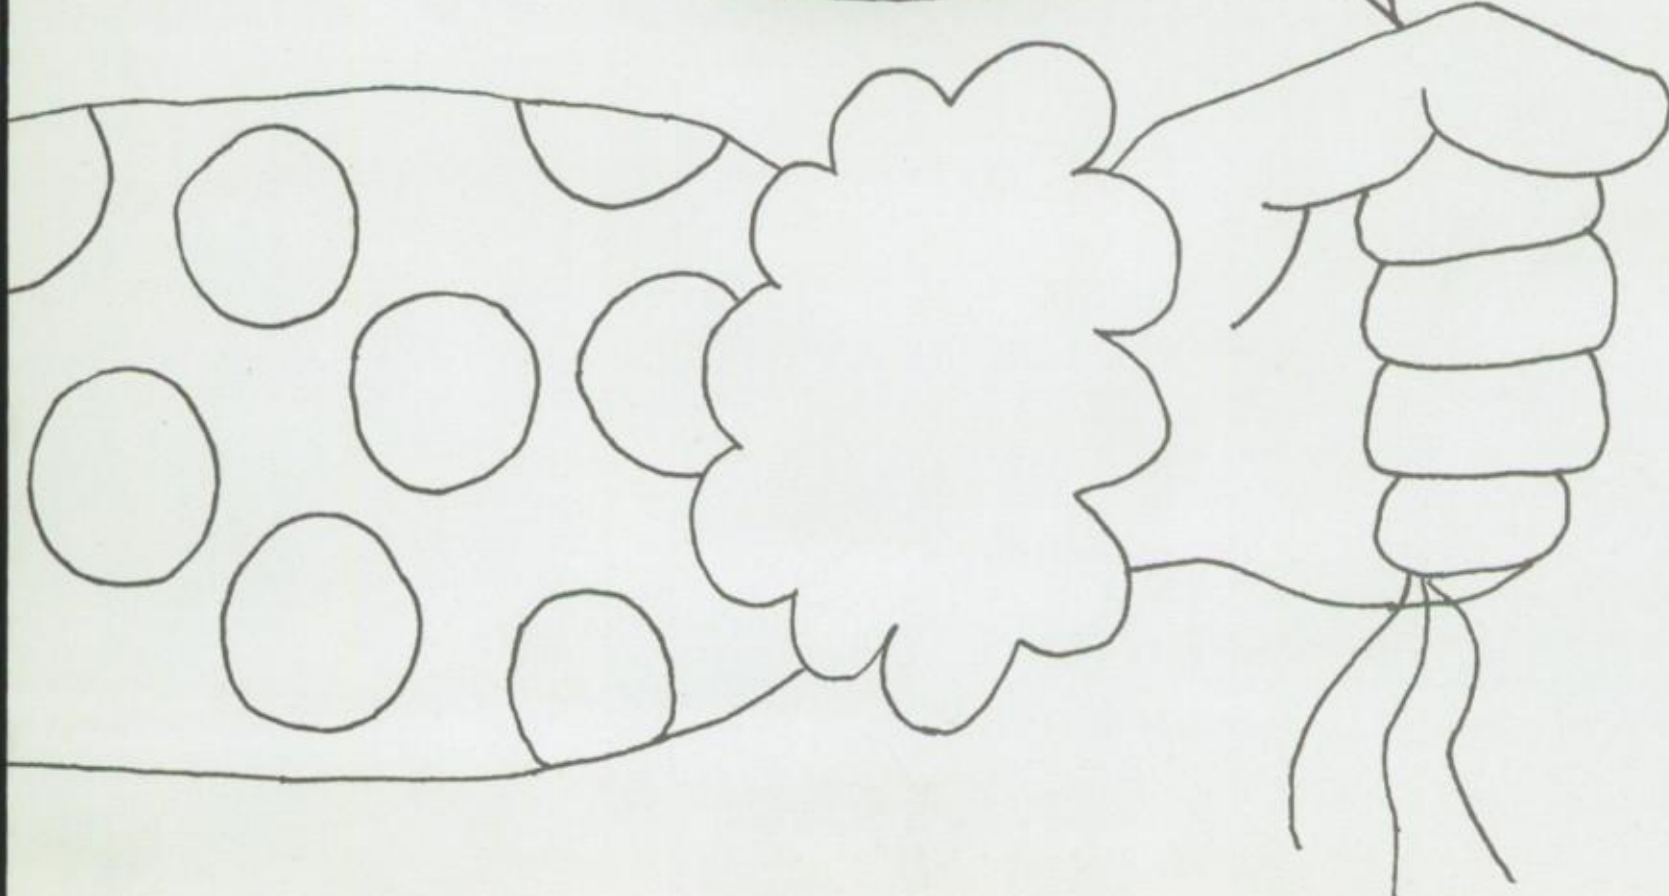

## "Clowning Around With Mom"

Many mothers and daughters attended the annual Mother-Daughter Dessert on March 2 at the La Crescenta First Baptist Church. They enjoyed ice cream and cake served by the Key Club. Pat Roski and her daughter Renee gave a salute to mothers and daughters. Later, Stacy O'Neal and Tina Shermer conducted the Mommy Games, after which the Barbaretttes sang for everyone. In addition, Cydney Halpin gave a tribute to Mrs. Pape for her 25 years of hard work as Girls' League advisor. Girls' League scholarships were awarded. Recipients were: Zoe Ann Adamopoulos, Lisa Lambuth, Kathy Latham, Vicki Pedersen, Adriene Rodriguez, Renee Roski and Kim Stanley.

When you're down and troubled, and you need a  
 helpin' hand  
 And nothin', no nothin' is going right.  
 Close your eyes and think of me, and soon I will  
 be there  
 To brighten up even your darkest night.  
 You just call out my name, and you know  
 wherever I am  
 I'll come runnin', to see you again.  
 Winter, Spring, Summer or Fall, all you got to do  
 is call  
 And I'll be there, yeah, yeah, yeah, you've got a  
 friend.  
 If the sky above you should turn dark and full of  
 clouds  
 And that old north wind should begin to blow.  
 Keep your head together, and call my name out  
 loud now  
 Soon I'll be knockin' upon your door.  
 You just call out my name, and you know  
 wherever I am  
 I'll come runnin', oh yes I will, to see you again.  
 Winter, Spring, Summer or Fall, all you got to do  
 is call  
 And I'll be there, yeah, yeah, yeah  
 Hey, ain't it good to know that you've got a  
 friend,  
 When people can be so cold.  
 They'll hurt you, and desert you.  
 Well they'll take your soul if you let them, yeah  
 But don't you let them.  
 You just call out my name, and you know  
 wherever I am  
 I'll come runnin', to see you again, oh baby, don't  
 you know 'bout  
 Winter, Spring, Summer or Fall, hey now all  
 you've got to do is call.  
 Lord I'll be there, yes I will, you've got a friend,  
 you've got a friend, yeah  
 Ain't it good to know you've got a friend?  
 Oh yeah, yeah, you've got a friend.

#### FRIENDS

Life is good because of the  
 friends we have made,  
 And the things which  
 in common we share;  
 We want to live on,  
 not because of ourselves,  
 But because of the ones  
 who would care.  
 It's often living for somebody else  
 On which life's splendors depend  
 And the joy of it all,  
 Will always be found  
 In the making of lifelong friends.

# Looking Back

## To The Sophomore Class:

It has been a great pleasure being the Sophomore Class advisor for the 1981-82 school year. Since this is the first time I have served in this capacity, I have learned a great deal of CV student government. I feel that the continual support and enthusiasm of the Sophomore Class has made our year quite a success!

Barry J. Last  
Class Advisor

To the Class of 1983:  
It's been a very rewarding experience for me to serve as Junior Class advisor this year. The Board of Directors and other juniors have done an excellent job, and I've sincerely enjoyed working with you. I hope that many of you will help us plan the Class of '83's senior activities!

Harriett Rothschild  
Advisor

To the Class of 1982:

Your senior year in high school should be extra special to you. You should look back at that year with fond memories of your activities, friends, and teachers.

Your class officers, Board of Directors, and I have attempted to make this year one that you will cherish and remember for the rest of your life. But the success of this year rests with the class of 1982. Your spirit, enthusiasm, and relationships with your classmates are what really made this year special. It's up to you!! I hope you had a great senior year!

## Student Body President Cabinet

Student Body President has taught me a lot of things about myself and those around me. Most importantly, it has opened my eyes to the fact that it's people, not laws, books or constitutional ammendments that make things happen. There are so many spirited and enthusiastic people at CV that we should all be proud of. There are many people here who really care. Working with these people has made me appreciate the time and effort that they have put out for the betterment of CV. The friends I have made on Cabinet, the memories we have, and the feelings we have shared are what high school is all about. My term in Cabinet has renewed my faith in the vitality of our school spirit, which we often think has died. I will miss the help and support of all of my officers. If there is anything which I would like to tell you, the students at CV, it would be the following: do not be afraid to get involved or stand up for what you believe in, for if you don't, oftentimes you'll find it's too late. It's the feelings of excitement, frustration, motivation and even love that will stay with us forever. When you get right down to it, that, too, is what high school is all about.

## Tomorrow We Lead"

## Spring President and His Cabinet

I feel that my term as Student Body President was the finest preparatory lesson I have ever had on the instructions of life. The experiences which I have had this semester have educated me greatly in the values of life. They have taught me how to cope with rejection and failure. My single regret is that I had not previously participated in student government. I feel that this experience was a monumental boost to my education. It sharpened my qualities of leadership and developed my personality.

Most of the year I was enveloped with work. Yet, with the help of thoughtful people in both Cabinet and the administration I was able to rise above it all. Only through Cabinet's and Mrs. Jensen's unselfish support were we able to accomplish all that we did.

I sincerely hope that next semester's president and cabinet will be as inspired as I was. Crescenta Valley and those who make it work are without a doubt incredible. CV holds within its grasp many fine leaders. I am sure that future students will continue to elect excellent individuals to command CV's destiny.

Based on a panel interview, academic achievement, and participation in extracurricular and community activities, these students were selected to represent CV in the annual Bank of America achievement awards competition. Over 300,000 graduating seniors from virtually every high school in California compete for these awards every year. At the time of publication, the plaque winners were preparing to enter the program's next level of competition, the Zone Selection Event. Winners of the Zone competition advance to the Final Selection Event. The Final first-place winners in each field earn the top award of \$2,000, with the second-place students winning \$1,000 and the third-place finishers receiving \$750. All other finalists earn \$500 fourth-place awards.

## Top Twenty-Five Smile with Pride

One of the most prestigious honors awarded at CV is to be ranked among the top twenty-five students in the senior class. These twenty-six students have achieved this distinction. Each student's rank is dependent upon his GPA from his three years in high school, not including the final semester. As the number of grades increases, competition becomes more intense. Grades from a single semester have caused GPA's to move either up or down a mere fraction of a percent. Oftentimes, two or more students tie for the same position, as has occurred this year. The **Talon** staff congratulates these exceptional students on their superior academic achievements and encourages them to continue in their journey to success.

Being elected President of CSF boosted my self-esteem considerably. It seemed so fantastic to be able to conduct the business of a club like this and exert authority over a mass of 150 scholarly students. I'm so glad I had such great officers and advisors to work with and make the tasks easier.

The purpose of CSF is to provide an opportunity for academically successful students to be recognized for their achievements through honors and scholarships. Among our activities was a trip to Disneyland, Dodger Games, bake sales to supplement scholarships for seniors and the club banquet. Cooperation from members and advisors added to CSF's success. The officers' efficiency in handling their duties made the purpose of the club more easily recognized. I would like to thank the club for helping me to have such a successful year as CSF president.

The purpose of Speech and Debate Club is to provide students with the opportunity to learn and to participate in all kinds of Forensic activities. Our club was organized just this year and in that short amount of time we accomplished many things. We joined a Forensic League, participated in college tournaments and entered local and national speech contests. Through enthusiastic members we have been successful in creating more interest in the area of speech. I have enjoyed working with my fellow members and would like to give special thanks to our advisor, Mr. Jensen, for making this possible.

Girls' League is a service club open to all girls at CV. Each year Girls' League, sponsored by Mrs. Pape, sponsors the backwards dance, the dad-daughter banquet, the mother-daughter dessert, and a flower sale. Girls' League also visits Rockhaven Sanitarium twice a year for its service projects.

This year Girls' League was successful in all of its activities. The backwards dance, the dad-daughter banquet, and the mother-daughter dessert were all well-attended functions. The visits to Rockhaven were also successful. In addition to planning and executing these activities, Girls' League attained a large and regular attendance at every meeting.

Serving as Girls' League President this year has been an exciting and memorable experience for me. I am glad that I have been given a chance to hold a key leadership position in the school as well as work with a fabulous group of girls. Serving as Key Club President for this year has been an unforgettable experience for me. The club was able to help the March of Dimes by wrapping Christmas gifts for handicapped children. Also, our fall and spring semester blood drives were very successful. CV contributed more blood than any other school. In addition, Key Clubbers sold programs at all the home football games, and all members assisted in our annual Career-Day activities. The sophomore and junior members assisted at graduation activities by distributing programs, directing people and controlling the crowd. I wish to extend my deepest appreciation to a terrific Board of Directors: Vice-President, ZoeAnn Adamopoulos, Secretary Vicki Pedersen, Treasurer Curtis Hallowell, and Co-Directors of Activities Niki Quintero and Eric Rowsey. I would also like to thank Mr. Adison for taking his time to be such a super advisor for our club. I hope that future presidents of Key Club will be as fortunate as I was to have such a wonderful board and helpful membership.

Advisor Ron Klint

The CV Math Club is a chapter of the nationwide Mu Alpha Theta organization. Its purpose is to bring together those students who have an interest in mathematics and to offer them interesting and enjoyable activities related to this diverse field.

As president of the Math Club, I feel that I have gained a valuable experience by leading this club through its fifteenth year at CV. This year's Math Club took part in a variety of activities. Some of these included participating in math contests at Occidental College and Cal Poly Pomona, hosting the Math Association of America test, having a club picnic and participating in Renaissance Day. It was the attempt of those involved in leading the club to stress the recreational and enjoyable aspects of mathematics, and as a result the meetings this year have included many exciting puzzles, games and contests.

The club's success this year can be greatly attributed to its advisor, Mr. Ron Klint, its Vice-President Dave Breeden, and its Secretary/Treasurer, Ho Diep Nguyen. I wish to thank wholeheartedly these people for their tremendous help, support and encouragement. I would also like to thank and congratulate each member of the club for making it an enjoyable and successful year for all of us involved.

# Ski Club Hits the Slopes

As the 1981-82 Ski Club President, I feel that the Club had a very successful year. We took a big trip to Blackcomb/Whistler Mountain in Canada. On this trip twenty students from CV and thirty-five students from Wilson Jr. High skied for six days during the Easter break. Other activities of the club included various skiing excursions to local resorts. We also sponsored a booth on Renaissance Day.

## French Club

The French Club had a larger membership and participated in more activities than it had in any previous year. The club, advised by Mrs. Cohen, was involved in activities such as bake sales, Renaissance Day, a dinner outing to a French restaurant, and several ski trips to Big Bear. Many thanks to all those who made this year's French Club the best ever!

## German Club

The German Club

President Bill Naphen guided the German Club through an enjoyable year. Under the supervision of Advisor Jim Bachman, the club visited a German restaurant, participated in the Renaissance Faire and provided interested German students with a better understanding of German culture.

President ZoeAnn Adamopoulos

My term as president of Spanish Club was not only enjoyable, but it was also a good learning experience. During the Fall semester, we sold candy apples, had a Halloween party and went to Olvera Street to celebrate Las Pasadas for Christmas. For the Spring semester we went to Catalina Island and to Ensenada, Mexico. I'd really like to thank my advisor, Mr. Gibson, and all my officers — Carrie Ostendorf, Vice-President; Amy Snow, Secretary; Adriene Rodriguez, Treasurer; Laura Lawson, Social Chairman, for all the support and help they've given me in making this a successful year.

I've greatly appreciated the opportunity to be president of the International Club. It has given me a chance to get to know and help the international students attending CV. The purpose of our club is to bring together international students, AFS students and their host brothers and sisters. This has been accomplished through the club's bi-monthly meetings, a Halloween party, a Christmas party and a progressive dinner. My thanks go to the members of International Club, especially its officers and our advisor, Mrs. Jane Chetron for a great year.

# Astronomy Club

Under the supervision of Advisor Barry Last, Doug Brackett founded CV's first Astronomy Club. The club was formed in order to promote the field of astronomy and make students aware of the more entertaining aspects of the universe. The club was very successful and maintained a fairly large membership throughout its two semesters. The club's activities included hosting guest speakers, astronomy night watches and a trip to Mt. Wilson.

Thanks for a great year. We've learned a lot about Jazz, and seen some good concerts. I've enjoyed being your president very much. This year we had a lot of fun. Always remember, "What is Hip," "Down to the Night Club," and most of all, "Knock Yourself Out."

## Future Writers Discovered through the Ark

The **Ark** is CV's annual literary journal. It is a publication which consists solely of students' original poetry and short stories. A board of editors selects those works which it feels have literary merit and these are published in pamphlet form. The editors are selected through applications, personal interviews and teacher recommendations. The **Ark** thus provides an easy and convenient medium through which interested students can express themselves.

I feel that being Editor-in-Chief of the **Ark** has been an exceptional learning experience for me. I have enjoyed working on the staff and I hope that through our efforts CV has been enhanced. I would like to express my deepest appreciation to Eileen McLaughlin, our diligent secretary, Mr. Thomas, our capable advisor, and all of the **Ark** editors who have helped make this year's publication a success.

This year was filled with many enjoyable hikes and outings. The climax of the year was when the club took part in a week-long backpacking trip in the High Sierras. We had been on many training hikes, so the members were well prepared for this adventure. The club also did some conservation work in the local mountains. Being president of this unique group of people has certainly been an exciting experience for me and I hope the members got as much out of the club as I did.

## Martial Arts Club

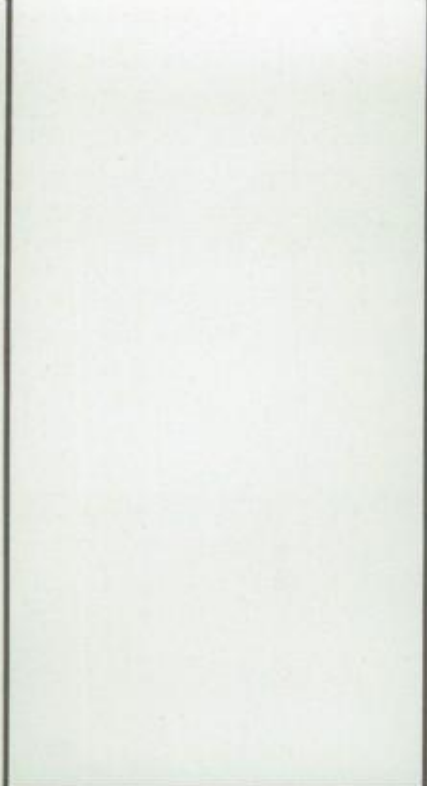

As president and founder of the Martial Arts Club, I have experienced a personal victory in politics and tenacity. Though the students' response to the club was slow during the first semester, membership picked up during the second term. Our activities included contests, information lines and studio recommendations. In addition to this, I have initiated a community self-defense class which is free of charge. I feel that this is the most satisfying goal which I have accomplished, simply helping people protect themselves. That is what the martial arts are all about: growing, learning and helping. The training calms, not corrupts, as those who practice know. Never mistake kindness for weakness.

## A New Perspective

Superintendent Burtis Taylor retired this year after fourteen years of leadership of the Glendale Unified School District and the Glendale Community College District.

Many things have changed since Dr. Taylor was selected in 1968. Most of the

changes were brought about by the reduced funding caused by Proposition 13.

When Dr. Taylor first took the reins, the main problem for the G.U.S.D. was fitting the overabundance of

students into the limited elementary, junior high and senior high schools; the main concern of the G.C.C.D., with the college's 4,000 students,

was to have a separate school board. Now, with four elementary schools closed, Glendale College's enrollment increased to 15,000 and their success in acquiring their own school board, the problems of the districts are totally different.

Dr. Taylor feels that it is time for a change, for himself and for the districts. He has many plans for his retirement, but until June 30, 1982, he will continue to provide his experience and leadership.

Dr. William Thomas, Supt. Burtis Taylor and Principal Samuel Nicholson

Dr. William C. Thomas, former Crescenta Valley High principal, formally retired this year, after maintaining our school's fine reputation for 20 years. After leaving CV in 1980, Dr. Thomas joined the

faculty at California State University at Northridge to teach graduate courses in educational administration and supervision. In addition to advising on a committee to supervise future master degree candidates, he supervises present Northridge student teachers working in Ventura County.

# Administration

"The biggest change at CV has been the declining enrollment. In just a six-year period there has been a decrease of 800 students from a student body of almost 2,300. There have also been changes in the education department, as the students are unable to choose from as large a variety of electives as was offered in previous years because of budget cuts. Student body income has also dropped, with the declining enrollment and fewer people attending the athletic games. The entire curricular program has changed as a result of inflation and less money available for the school.

"In my line of work, perhaps the most rewarding part of the job is being able to see students, as they mature over a three-year period and leave CV, become mature and responsible citizens able to benefit society. It is truly rewarding to be part of all this.

"During the two years that I have spent at CV the school has undergone some improvements. Almost all of CV is now air conditioned. The quad has been asphalted. The auditorium, as well, has undergone some repairs. Important strides have been made in adapting to the declining enrollment with the scheduling in order to minimize students' elective conflicts. I have noticed a change in the school's attitude. The students are more responsive and are much closer, with the reduced enrollment.

"It is tough in any position to make decisions which affect people. However, my job has been made easier, thanks to a very capable teaching staff and the great group of kids who attend this school.

"I am very pleased to live in this community, with two sons and two daughters, all of whom have been graduated from CV. It has been a pleasure holding this position and contributing to the community and people who serve in it. Being principal is, to me, more than just a job."

Despite numerous changes caused by dropping enrollment and budget cuts, the program offered at CV will prepare any student for graduation if the student takes advantage of the opportunities, according to Jan Burke, English Department chairperson.

Clark's vice-principal, Lois Neal, conducted an English Workshop, a CV first. Teachers attended other workshops, such as the Conference of the Living Tree and the Southern California Teachers of English, for which Lavonna Miller and Jan Burke are planning committee members. Voluntarily conducting Advanced Placement seminars were J. Burke, V. Johnson, D. Martinson, L. Miller, D. Morris and J. Peterson.

# Mathematics

The major changes affecting the Math Department relate to fewer students taking upper division math. Whereas CV formerly had enough students to offer college calculus, our students must now take it at Glendale College. According to department chairman Ron Klint, the math proficiency exam has caused more students to understand the importance of knowing basic math.

"Governor Brown's recommendation of three years of math and Cal State's minimum requirement of two years should result in more students taking higher math," Klint said.

New computer programming classes at CV are preparing students for the vast number of jobs in computer-related fields in the 1980's. Math Club, strong and active, provided tutoring services for the Valley.

One major goal of the Business Department is to have all electric typewriters for the students to use, according to Miss Marvel Simbach, department chairperson. Declining enrollment and budget cuts have postponed this goal as well as others.

However, CV's fine Business Department continues to produce annual award winners in the Area Conference competition in shorthand, typing and accounting. Students well trained at CV in business skills are in great demand, and are often employed directly upon graduation.

Because of the drastically reduced election program, the P.E. Department was forced to offer more mass activity classes, some with more than 70 students. Consequently, less individual instruction was possible. Declining enrollment eliminated many special-interest classes, which were less monotonous for teachers and more exciting for students. "Adding ninth graders to CV would undoubtedly allow us to return to the greater variety of classes that was offered in past years," said Pat Wells, department chairperson.

## Holyfield Earns All-American Honors

Jeff Holyfield displays his many trophies which were earned through hard work and dedication.

Jeff Holyfield had a superb 1981 Cross-Country season. He was undefeated in League and CIF competition. He then proceeded to win Kinney's Western Regional Championship. At Kinney's National Finals Jeff's fatigue caught up with him. However, he ran with determination and placed thirteenth in the nation, earning himself all-American honors and experiencing a superb high school season.

"First of all, I would like to thank Coaches Gilliland and Rubino for all of their training and help. I would also like to congratulate the greatest cross country team that CV has ever seen.

"CV cross-country runners deserve to be commended for their selfless contributions to the team throughout the season and especially for their preparation to become champions. Nearly 700 miles were covered

during the summer by the team.

"This year I have personally experienced the best season in my high school career. During my three years of participation in cross country, I have not only learned a lot about running but also quite a bit about life. The success that I have had can be attributed to the competitive pressure of the team. Once again, I'd like to thank everyone who helped me to become the person and runner that I am."

# Varsity Cross Country . . . Awesome.

The 1981 Falcon Cross Country team was simply awesome. Jay Rubino and Keith Gilliland coached the Falcons, who swept League for the second straight year with a League record of 5-0. After winning their qualifying race in the CIF prelims, the Falcons went on to become the first Boys' 4-A CIF Championship team in twenty years. Varsity destroyed the second-place team, Thousand Oaks, by approximately forty points. Jeff Holyfield took honors as CIF individual champ by beating the next runner by 22 seconds. Along with Jeff Holyfield there was Joe Jung, Kevin Floyd, Pete Herrold, Ken Tremayne, Doug Murdoch and Scott Yinger who all put forth a great effort for the Falcons.

## A Rebuilding Year

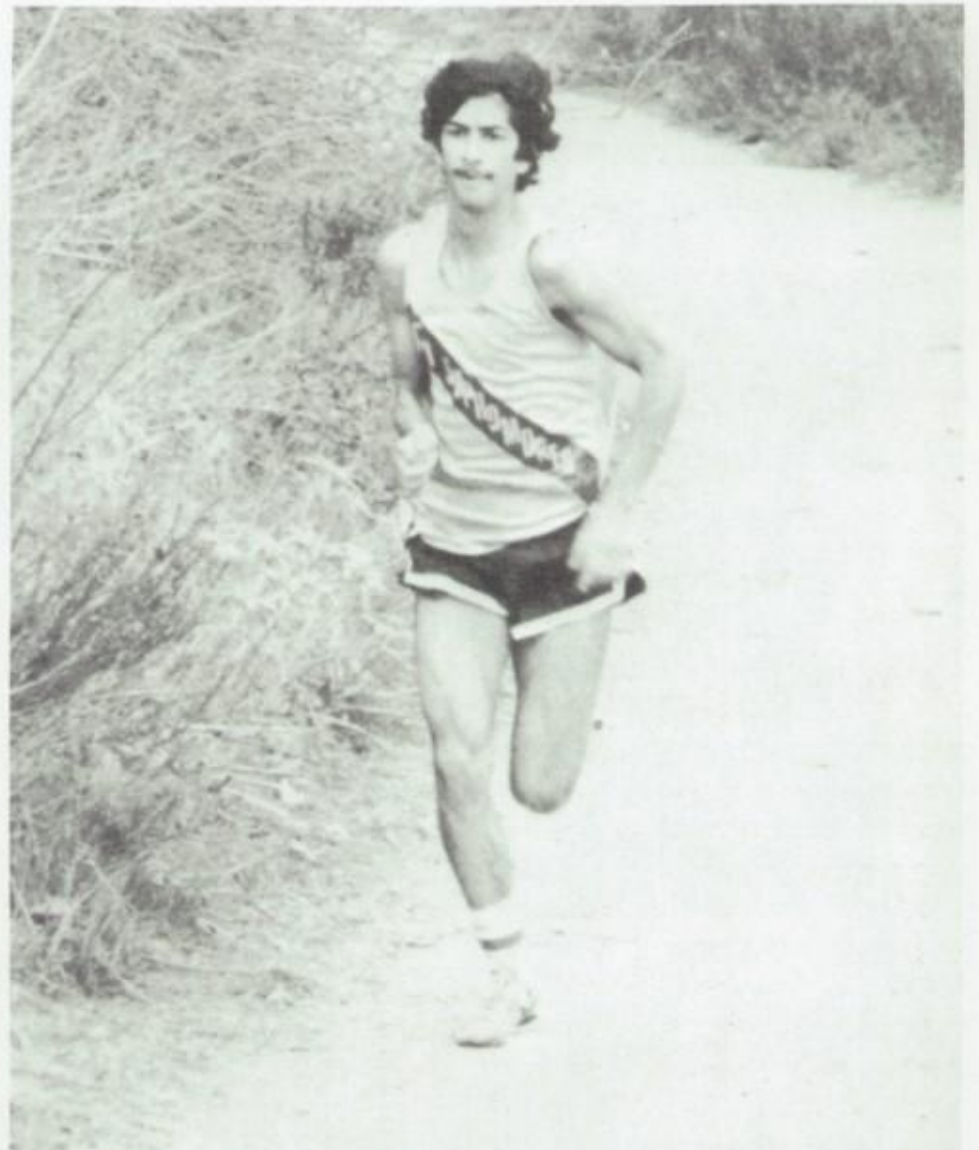

For the first time in the history of CV, freshmen were allowed to participate in high school athletics. This proved to be advantageous for the Falcons, as Chris Tremayne, a freshman, was the team's number-one runner. The top Sophomore was Vahe Der Gervorkian. The Falcons earned a third-place spot in the Pacific League and had a strong showing at League Finals, missing the title by six points. If the Falcons continue to work diligently throughout the summer and the following year, they may retain their Varsity League crown for the third consecutive year, according to Coach Keith Gilliland. The quality and dedication of this young team will undoubtedly aid the Falcons in achieving this goal.

The 1981 Falcon Water Polo team had a challenging season. The poloists, with an overall record of 8-17, placed third in the Pacific League with a record of 2-3. The Falcons, however, were thin on varsity experience. Kirk Klotthor was the only returning Varsity letterman. Fortunately, however, the polo team remained undaunted and worked diligently to gain a CIF playoff bid.

CV then lost to Claremont in the first round of this competition by a score of 3-7. This concluded the fine performance by the promising Falcon team. Jay Jones received the MVP award, Ken Easland was awarded the Most Inspirational trophy, and Randolph Lautsch went home with the Most Improved Player trophy. Because of the large number of underclassmen on the Varsity squad this year who will be returning next year, CV Water Polo fans can look forward to an exciting and successful '82 season.

## A Good Year for Varsity Volleyball

The Crescenta Valley Varsity Volleyball team, coached by Pat Wells, had a productive season. The Falcons worked hard and put in many long hours to prepare for competition, and the CV fans were not disappointed. The team acquired a 9-7 overall record and a record in the Pacific League of 6-4.

This put the Falcons in third place and earned them a CIF playoff bid.

Team honors went to Theresa McCauley for Most Valuable Player, Linda Pilarski was awarded the Most Improved Player, and the Most Inspirational Player went to Diane McCall. Leading the Falcons to victory was Beth Rieck, receiving All-League First Team honors. Karen King and Theresa McCauley placed on the All-League Second team, with Judy Sturms receiving Honorable Mention. The great enthusiasm and hard work of all the team members resulted in a successful season and a promising outlook for next year, according to Coach Wells.

Captain Leah Perry ran to an All League Second Team finish for the Falcons. The team was expected to finish higher in the League, but an injury to Lucinda Nickell and other key runners dashed their hopes. This year the girls' team consisted of twenty-eight members, most of whom were underclassmen. With hard work and dedication, the Falcons will be back in the hunt for the League crown next year.

The 1981 CV Falcon Varsity Basketball team had a super year. After a shaky pre-league performance, the Falcons settled down and at time of publication had an excellent shot at the Pacific League title. CV beat Alhambra in a 51-50 heartstopper, that left the Falcons tied for first place in the League after the first round with a record of 4-1. This year's Falcon edition was paced by three outstanding players: point guard Cliff Miller, swing man Eric Lowe, and post Jay Ellis. Mike Norseth and Duane Myers rounded out the starting five. Wade Wirth saw plenty of action, along with sophomore Rick Wilson. Dave Asplund, Mike Anderson and Eric Rowsey gave the Falcons needed bench strength. This marked the tenth straight CIF playoff bid for the Falcons and their twentieth straight winning season.

The CV Junior Varsity Basketball team, coached by Neil Shirley, had a troubled year. Captains Brett Bowers and Raffi Nahabedian were involved in an automobile accident and this had a negative effect on the team's performance. Bowers, with a concussion, was unable to play in a few games while Nahabedian was out for the rest of the season. However near the season's conclusion the Falcons bounced back under the leadership of Mike Winkler, Jon Ellis and Brett Bowers. This year's JV's will be a fine nucleus for upcoming Falcon teams.

The Falcons were led by 6'2", 165-pound-center Jack Benson, hot-shooting, 6'1" guard Brian Costello, and by team captain Jerry Wacker.

## Girls' Basketball Shoots for the Top

The Girls' Varsity Basketball team once again made a strong showing in Pacific League competition. Coached by Tam Breckinridge, a former Falcon basketball player, and assisted by her brother, Bob, the Falcons led in both League and CIF play.

Leading the team were high-scoring forwards Beth Rieck and Linda Pilarski who, along with center Theresa McCauley and guards Laurie Kuhn and Natalie Jover, produced a powerful offensive-defensive combination. A solid reserve corps, including Mary Jane Phillips, Jill Trist, Julie Weigmann and Lisa Renn, provided necessary depth to the team.

Once again, Girls' Varsity Basketball has given an exciting season to the student body.

At time of publication the team had a season record of 8-4. They also placed third in Pacific League with a record of 4-3. The Falcons were in the process of playing three more games to complete the season. Top scores on the team included Chris Comingore and Lisa Estelle, and top rebounder was Shawna Hubbard. Hey Cuz, well what can I say? We sure have gone through a lot together. Remember history? What a crack up. And best of all Halloween with Margret and the guy that works at Mohawk. And how we would always end up at Marios, that time we chased Gary. I bet you'll never forget the time (Friday night, Markridge and New York with Kristy) The party. What would I do without you? You're the best cousin anyone could have. Thanks for being there when I needed you. K.A.V.'s car. Love, your cousin

What can I say to a fantastic bunch of creative people? Only that I thank you for all your hard work and time. Our book is the best. **Richard:** I need a supply of brains and talent. I did my best. Thank for your support and love. It means a lot to me. Do you have any film (or is it paper)? **Paul:** Hey, where's my note? Your photos are great! Notice how I made you as big as day on page 244. **Jeff White:** I'll never forget Utah or all the things that happened. How could I? You did a good job, and I really mean it. **Jeff Iverson:** Look what we turned out. It obviously is the best. I never thought we would end up being editors together. Thank for your nice compliments. They made my day. **Lisa Boardman:** The Senior pages look great, of course. You did a good job. Are we wearing the same clothes today? I'll always remember you. **Tami:** Thank for your smiles AND baked goodies. We wouldn't have made it without them. I sure will miss you. Take care. **Jose:** I will always love brown eyes. Yes Yee lives on. Let's keep in touch. **Renee:** You sure do have a lot of creativity. Your section sure shows it all. Thank for your respect. Activities has a lot of class. **Mary:** It's the only picture I had!! Could it be that Jim brings the worst out of all of us?? Keep smiling, you've only got one year left. **Scott:** Yes, I agree, the Academy is not that bad. Genfield will always remind me. What's the joke for today? **Jackie:** Let's go skiing! I'm glad we became friends. Your section really shows lots of work. You did a great job. **David:** I know you won't coordinate forever. Your photography and willingness to work sure meant a lot. Thank for all the overtime. **Warren:** How about some ice cream? Thank for cleaning the darkroom. It looks great. **Don:** Clubs and Honors looks terrific. Now do you know all the names of everybody in this school?? See ya on Sunday. **Greg:** I'll never forget you; you're very difficult to forget!! I'm thanking you now since I didn't put you on the Thank You page!! Good luck always in life. **Vicki:** Your section looks really good. It was good to have you as a extra photographer. Miss Piggy Lives!!! **Brent:** To the number-one Copy Editor. I wonder if you'll make a singing, actually whistling, career. Juniors, naturally, will have no copy mistakes. **Lisa Lambuth:** Two years and we finally did it. Good luck in your future. Stay sweet. **Gina:** Ads and Soph pages look great. I love your hair. Meron kick!! Has Rich hassled you lately? **Michelle:** I'll never forget the Tabernacle Choir! Teacher aides unite. Thank for all your typing. **Rookie Bookies:** I wish you all luck next year. I'm positive you'll produce a book almost as good as this one!!!! I wish we could have spent a whole year together. **Photographers:** How about a game of darts?? **Mrs. Peterson:** Well, what can I say? It has been the experience of my life. I will never forget it. Thank you very much for being a friend. Your concern especially meant a lot. **Tom Imming:** Thank you for everything!!! You represented us well, and I really appreciate it.

*Denise*

Well guys what can I say? This has been the most incandescent year of my life. (How is that for ambiguity and irrelevance?) Mom P. made the statement once that everything went so smoothly this year that she felt as if nothing was being done although she was quite sure there was. We surely tricked her, eh?

**Junie:** Thanks for all your support for me personally and for only being at your "not nicest" during deadline. You've helped me to have the confidence that what I'm doing isn't foolish nor unjustified. **Denise:** Thanks for being the fountain of information for the staff. I might be able to make them shut up for 23 seconds and get them down to work, but we never would have made it without you to turn to with little technical questions. P.S. I'll never wash that pencil, I promise. **Jeff:** Thanks for all the time and your willingness to laugh at all the stupid jokes, i.e. "the rubber family." **Brenton:** With a copy editor like you, who needs a grammar book or thesaurus? You're great Brent, thanks for all the hard work and dedication.

Now the rest of you people who were not given titles of nobility as we, the elite few, were, are probably expecting to be mentioned by name too. Hah! What, do you think I have an infinite supply of ink? (wit yes, ink no). But I will mention all your initials. Find them yourself and circle them with a fluorescent pink pen. "LSMSMBGBGSTI, the dreaded new type of common cold which is immune to all cures except for penicillin made from ryebread mold, is moving in the Southland," says Doctor LLRRJPSNJVDMVPBCDG, the renowned lower Slobovian biochemist, "and an epidemic equal to that of the Black Plague of the Dark Ages will result if a cure is not found." The widely known nuclear-physicist from Luxembourg, Dr. FGMRSSDTJWRPPWDBWH claims to have found the cure. "Ve simply need to carry un atomic veapon aroont in our back pocket in order to scare the germs away!" The Southland can rest.

Thanks guys! Our awesome yearbook is a direct result of our awesome staff. You're **GREAT!**

*Jeff B. Davis*

**Mom P.:** How can I thank you for all that you've done for me and for the entire staff? You truly are a "Mom" in every sense of the word. Please always keep in touch. I will remember you forever. **Denise:** You are really one terrific editor-in-chief and always have managed to keep everything together through the worst times possible. I'm sure you will go far in whatever you choose to do for the rest of your life, and I really mean it. **Richard:** Let's just say it has been a real experience in YB and I will never forget any of it. Good luck at the Academy and with all your plans for the future! **Jeff:** YB would definitely not have been YB without you and all your wonderful ideas and all those "com-ments." **Lisa S.:** I hope by now we have gotten back the proofs for our section. The Senior section really belongs to you; you did a fantastic job. I will never forget you, you are one special person. **Miss Piggy:** How can I possibly put into words all my feelings towards you? You have been and always will be my perfect definition of a **best friend**. I'm always here for you, and you know it. **Ducky:** No one else can do what you do with a ruler. Don't screw up the Celica any more, or I'll take it back! You've helped me through thick and thin and I'll never forget it. Friends forever. To the rest of the staff, thank you all for letting me have the opportunity to work with the best bunch of people possible. I will remember you all forever.

*Jeffrey B. White*

**Bookies:** I guess it's a staff such as yours that makes being advisor worthwhile. Rm. 131 was truly a microcosm of personalities and talents, the sum of which might be even higher than your GPA's! I enjoyed knowing you and working with you and observing your growth and changes. Many of you became more outgoing, more courageous, more self-confident. The few gossips and pouters seemed to recover by the end. I watched friendships develop and saw many important decisions made. We shared our joys, our sorrows, and our tacos. To those who gave so much to support this production and each other, I give my thanks and my vote of confidence for the future. You're the **BEST**. God Bless!

*Mrs. Peterson*

From Dreams

~ Brian ~  
I'm really glad  
you know you're good  
this year

We Carve

Our Destiny

To laugh  
is to risk appearing the fool  
To weep  
is to risk appearing sentimental.  
To reach out for another  
is to risk involvement.  
To expose feelings  
is to risk exposing our true self.  
To place your ideas, your dreams, before a crowd,  
is to risk loss.  
To love  
is to risk not being loved in return.  
To live is to risk dying.  
To hope is to risk despair.  
To try at all is to risk failure.  
But to risk we must,  
Because the greatest hazard in life  
is to risk nothing.

Brian,

I can't wait until the last day of school. (I think you know why) I am really glad that everything is working out so good. I really love you. We finally made it to 20!! I passed you know who. I want you to know that I really had fun this weekend. I think that we can work everything out now. I really need you and I always will. I love you so much. And I always will. I missed not I love Ralph to! (So does Kitty) I missed not being with you, but this weekend made up for it. I am so glad that we got together this year, and I hope everything works out so we can be together (all the way) again. I want to thank you for being so sweet. You have treated me so good lately, and we are getting along so much better. Remember that letter that I read to you? Well I still mean ~~the~~ very word of it. I will always love you Brian, and I need you too. If our plans for the last day of school work out I will be the happiest person in the world. You treat me so good now, and it makes me feel alot better. I love you, and need you, and want you forever and ever. I'm not sure what else to say, 'cause I've already said that I love you and all that. I really hope everything works out for us. With the way we have both been acting toward each other lately I'm sure it will.

P.S.

I love you, + Ralph
